Holiday Shellac Nails by CND **\$25.00**
followed by a warm paraffin dip (Introductory offer, reg. \$42.00)

A hybrid product which is half gel and half nail polish that is cured to give it great flexibility and durability. It has incredible shine that is associated with gel nails and lasts up to 2 weeks.

Introductory Offer Microdermabrasion **\$50.00**

Microdermabrasion is recommended for skin with sun damage, fine lines and wrinkles, enlarged pores, acne scars, blackheads, age spots, blending of post lasered skin, and as adjunct therapy to cosmetic surgery. Each individual's skin is different, and assessed according to their prior facial treatments. Once the assessment is made, a treatment plan is recommended according to the Esthetician's analysis. Treatments range from 4 weekly sessions for normal skin, to as many as 12 or more for scars and hyperpigmentation.
